

The Phantom of the Opera

on Broadway

Wednesday, July 22, 2009

Now the longest-running show in Broadway history, Andrew Lloyd Webber's *The Phantom of the Opera* has played to over 80 million people in 25 countries in 124 cities around the world since its first performance. The New York production alone has enchanted over 10 million audience members in its over 20-year run. Be a part of the phenomenon by getting your tickets today! In *The Phantom of the Opera*, a young singer, Christine, is charmed by a mysterious specter who haunts the Paris Opera house. Based on Gaston Leroux's famous novel, the musical's tale begins as unexplained accidents have been occurring throughout the Paris Opera, and the stuck-up diva, Carlotta, refuses to go on. Christine takes her place and is a triumph. At her opening night, she meets her childhood friend, Raoul. Alone in her dressing room, she finally meets the Phantom who has taught her to sing so beautifully. Taking her to his lair in the misty catacombs beneath the Opera House, the Phantom declares his love for Christine, but she soon learns his terrible secret. The story moves from the Phantom's underground hideaway to the dizzying roof of the Opera House, as the Phantom and Raoul battle for Christine's love.
