September 20-27, 2009**

Join Paul Scott for 7 nights at the Deluxe All-Suite resort of Pueblo Bonito Sunset Beach Resort. Located on the western side of the tip of the Baja Peninsula, this exquisite resort overlooks the sparkling Pacific Ocean.

Activities abound in Los Cabos! With everything from championship golf and tennis to a myriad of water sports readily available. Los Cabos, or "The Capes", is made up of two charming towns: Cabo San Lucas and San Jose del Cabo. Both offer visitors a myriad of options for exploration and entertainment. Walk through the picturesque and historic town of San Jose del Cabo and examine 18th century architecture built by missionaries. Cabo San Lucas, renowned for great shopping and a bustling nightlife, is identified by the world-famous rock arch formation, "El Arco" where the Pacific meets the warm water of the Sea of Cortes, and where you'll also experience some of the best deep-sea fishing in the world. Sightseeing excursions, horseback riding, or simply relaxing on the golden beach will make your stay here your most enjoyable vacation holiday yet.
