12-night Denali Explorer

Alaska Cruise Tour

August 17- August 29, 2024

See the Great Land from a new angle- or three- by sea, train and by land. Alaska Cruise tours combine a seven-day Voyage of the Glaciers cruise with scenic rail travel and multiple days on land, all while taking you to iconic spots like Glacier Bay and Denali national parks.

This is a cruise first and explore on land later, sailing past glaciers and stopping at iconic ports before boarding the exclusive Direct-to-the-Wilderness rail service bound for the Denali area. There, with a Princess-owned wilderness lodge as your home base, sit back and relax just steps from Alaska’s best national park.
