Soak up island views and aquatic adventures with a cruise to the Bahamas. A respite for sun and sand seekers, the Bahamas is home to light blue beaches, translucent underwater caves, a rich royal heritage and exclusive private isles. These can all be found throughout a beautifully scattered string of 700 islands (most of which are uninhabited). Cruise to the Bahamas to take a dive and witness a majestic coral garden at Orange Bowl reef, hang out at ultra-luxurious resorts like Atlantis, and shop resort fashion in Paradise Island or Nassau. The Bahamas has an island for every taste and style, and it's easy to enjoy its subtropical charm during an overnight stint or a week-long cruise. Discover the magic with a Bahamas cruise.
